SANSKAR SINGH

PHYSIOTHERAPIST

ABOUT ME

Sanskar Singh is a hardworking first-year physiotherapy student focused on developing core clinical skills, including mobility assessment, therapeutic routines, and patient communication. He aims to grow into a confident and compassionate physiotherapy professional.

EXPERIENCE

Physiotherapy Student (Academic Training) 2025 (Present)

Lovely Professional University

- Gaining foundational exposure to physiotherapy practices through supervised lab sessions and guided demonstrations. Learning basic assessment techniques, therapeutic exercises, mobility training, and patient-care skills.

Rehabilitation Practice Sessions 2025

School of Allied Health Sciences, LPU

- Participated in practical workshops focused on movement analysis, posture correction, exercise therapy, and basic manual techniques in controlled training environments.

Health Awareness & Community Engagement 2025

Activities

Volunteer Support

- Took part in health awareness camps and student-led wellness programs, helping with basic screenings, health communication, and assisting in physiotherapy-related demonstrations.

WORKSHOPS

- Attended physiotherapy orientation workshops at LPU
- Participated in rehabilitation and mobility training sessions
- Engaged in posture correction and movement practice labs
